Whereas, the 2020 Spartan pumper fire apparatus was recently delivered to the fire station and miscellaneous brackets, mounts, tools and fittings need to be installed to accommodate emergency equipment carried by the apparatus; and

Whereas, it is in the public interest to get this apparatus outfitted and put into emergency service in the fire district as soon as practicable;

Whereas, one vendor has submitted a quote of \$3,895.00 to provide these fixtures and additional competitive quotes have been requested and will be required prior to a purchase order being issued for the purchase; and
